What is a Community Connection?

A Community Connection is an opportunity for youth to visit a youth serving organization and learn about all the different ways they can help.

We hope that once youth learn about and are connected to the organization, they will continue to access it for any support or services they might need in the future.

What Youth Have To Do

No appointment is necessary, but registration is required for a first visit. Youth may be asked for their Social Insurance Number (SIN) at initial registration meeting.

Ask the youth to:

1. Get a business card or pamphlet so they can prove they visited.
2. Complete the Community Connection Reflection Sheet.

The youth should send or bring the completed Reflection Sheet plus the business card or pamphlet to final meeting.
