What You Have To Do

No appointment is necessary, but registration is required for a first visit. Bring your Social Insurance Number (SIN) if you have one.

When you visit, one of the friendly staff will give you a tour and let you know the different services they offer.

Make sure you get a business card or pamphlet so you can prove you visited.

After your visit you must complete the Community Connection Reflection Sheet.

Send or bring your completed Reflection Sheet plus the business card or pamphlet to your File Chair as proof you visited the Youth Employment Centre
